

Mobile App Disclosures

Mobile App Privacy Policy

Mitten Savings (Mitten) Mobile App requests access to information stored on your device such as camera, external storage, location, or other features you are enrolled in to enrich and simplify your own user experience and improve our services, as well as provide additional security to protect your account. It is important for you to understand that:

- Before granting access to this information, you will be prompted to give the application that permission.
- If you do not wish to grant that permission, you may decline.
- If you later change your mind, those permissions can be updated in your device's settings.

Some examples of information your app will request access to are:

- Communication – As a necessity for troubleshooting, you can enable viewing and/or navigation access to your screen, microphone, and camera. (Consent for texting, live voice, and video calling can also be given.)
- External Storage – To save information outside of the app, you must affirmatively select to share this information where applicable.
- Location – This information must be enabled in your device settings.

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

The application information is retained in accordance with state and federal record retention laws. Please contact us to determine specific timeframes for your personal stored information and if that information may be deleted.

Please contact Mitten by emailing us at support@mittensavings.com regarding questions about the information included in this Mobile App Privacy Policy or questions about this application. You can also access Mitten's full disclosure page [here](#).
